“ David was a very special big brother to me. I had looked forward to seeing him in September again this year as the past two years where we enjoyed special visits with him, Cathy and Stephanie. I just have so many thoughts of good times with him and how he looked out for me. He took me shopping, negotiated the deal, and signed for my first car, a 1955 Pontiac. He was a giving brother, always contributing to the family needs when he was a Junior and Senior in High School - along with my brother Dick, he purchased a "B" Farmall for the family. The first rubber tired tractor that helped us survive on the farm. The only tractor that Mom would drive, which she did almost up until her death. May God bless his children and grandchildren and provide them comfort during this very sad time. At the same time, he is joining his beloved wife, Mary whom he looked forward to doing after her passage.

With Love for ever - David's brother Bob
