“ I want to send my deepest condolences to Bob’s family. He was a kind, caring and such a gentleman. I bowled on a team with Bob for several years. I started out when Dee and him bowled on a team. We had so much fun. I enjoyed those years with Bob and will always treasure those memories in my heart. After his friend Dee passed, he continued to bowl with me on Wednesday mornings. He was so interesting to talk to because of his travels. I miss him on Wednesday mornings but he will always be in my heart. Again my sincere condolences to his children, grandchildren and great, grandchildren. You all can be proud to have such a wonderful mentor and example to follow. Loving Prayers to all of the Bordenave family. Judy Tenorio
