“ I was fortunate to work by Sandy's side for Years!! She was the other half of my brain most days! I remember her making her folgers coffee everyday getting all her sugar and cream right just to let it sit and get cold! haha she loved her donut in the morning and her fries with cheese! So glad to have so many good times with such a great person!! Work won't be the same with out her but I'm so fortunate to have had the time I had. Randy, Adam and Kristen god grant you peace in knowing she is heaven and running free!
