“ *Lars and family; I'm so sorry to hear about Wynne. My favorite memory was a visit in the yard. I must have stopped at Harriett's and she called me to come over and see her yard. After the tour we sat in the sunshine and just talked. I don't remember the subjects, but she had me laughing hysterically over some crazy chicken stories. Her beautiful art, her beautiful crafts and her beautiful smile will be dearly missed. I treasure the picture of the shore birds I bought at the Carrabelle Riverfront Festival and am grateful to have known her.*

“ *She was the nicest person I had the pleasure of meeting! She always welcomed anyone into her home with open arms and tried to feed them. She was a great cook. She treated everyone like they were family. I will miss her great personality. She was an uncommon combination of tough, and very kind hearted. You didn't need to spend a lot of time with her to love her. She will be missed greatly.*
