“ *I'm very sorry to hear of her passing. Calantha was such a sweet lady. I met her while in my teens, during my nightly walks. She would usually be out feeding the birds or cleaning the yard. We would always have such a nice talk, and she was always kind. I would see her as well at the library where I worked, and would always catch up there as well, especially after I no longer took my nightly walks. She gave me some wonderful vintage Huntley memorabilia, and shared some great stories. She will be missed.*
