“ Aunt Brenda, Jenny, Mike & boys,
Adam and I are so very sorry for your loss. Uncle Chuck was very special, and he was passionate as the pastor described. I will always remember Dad & Uncle Chuck on the Fire Department together, especially when I helped them train and study for their EMT designation. We sure did laugh a lot during their training sessions. Who could forget the water fights with those two! He loved all of you so much! What a beautiful service today, he will be dearly missed. We love you so much,

Adam & Robin
