“ I grew up riding and showing horses with Cindy we went on several rode trips to the Ohio Quarterhorse Congress and Illinois State fair horse division as well as showed at many local horseshows her charismatic dimpled smile was one of a kind we sadly lost touch with college and job changes but I will have many fond memories

“ I had the pleasure of working with Cindy during my tenure at Waste Management. From the first day I stepped into the office, Cindy was a friend. Countless lunches, conversations, weekend pool parties at Mark's house - Cindy was a special person to everyone that crossed her path. Cindy will be greatly missed.

“ Cindy and I worked together at WM, even though we were located in different states. Our group was split up, and we kept in touch. Days that we were both at work, we would send messages, mostly about our cats, my dog, how spoiled they were, and how that was ok. Cindy is greatly missed. RIP my friend. Until we meet again. Thoughts and prayers to Mark, and all her family and friends. Andi

“ I had the honor of working with Cindy for over 20 years. During that time I learned what a dedicated and kind spirit she was with her work, her friends and colleagues and people in general. I can truly say that I am a better person for having known her. I will miss our early morning chats, her inquisitive nature and sense of humor. Until we can all meet again, rest in peace with God.

I worked with Cindy at Chicago Sorting Center at 34th & Lawndale. I was an Employee of Marina Cartage and was responsible for hauling all the garbage to the landfill. Cindy and I would work together to ensure the facility was clean every week. It's been 20 years since we've worked together, but I would hear Cindy was still working with Waste Management, and doing well. When I heard yesterday that she passed away, I couldn't believe it. My Condolences go out to Mark and Her Family, and May Her Soul Rest In Peace
