“ Our thoughts and prayers go out to Darlene and her family at this time. My memories of Don go back several years through his support for the Marengo High School Athletic Programs and having his children attend MCHS. Don was, in my opinion, an excellent father that appreciated the time spent with family and friends. He and Darlene raised their children to be respectful, hard-working, and responsible adults. His smile and laugh will be greatly missed by me. Jerry and Kathy Trickett
