“ I was always happy to see you, Dorie. It's a shame that your life is too short. The world was a good place in it with you in it. Rest in love Cuz.

“ I remember the great times with Dorie and her mom at bingo at the legion. She was always so kind nice. When she worked at Dunkin' donuts she always had a smile on her face and you could tell she loved people. I'm very sorry about your loss but am happy that she is reunited with all that have gone before her and is no longer suffering here on earth. Angels I'm sure welcomed her home with open arms. Always had a good time with her. She would come into Sweet Repeats and always find something. I always got a kick out of how many clothes she had for her dogs. Loved playing bingo with her at the legion. Every time I got in town I would stop and see her. I know she's happy to be with Ron and her mom. Cindy Howver
