“ Dorothy lived daughter, my the driveway from my townhome. She loved animals and would from time to time, dog sit my little dog Vickie when I would go out of town. Dorothy had a very strong personality and she loved gardening and kept a beautiful garden around her townhome. We would sit on the patio from time to time and enjoy a nice glass of wine under the sun. I missed her when she moved away about 11 years ago. I will keep her in my prayers
