“ *We are truly saddened with the news of Ed's passing. Dave recalls 54 years of friendship, as do I, and being part of our wedding party. So many wonderful memories of family and times spent together. May time and love comfort you. Our deepest sympathy.*

“ *Dodie and family,  
We were so saddened to hear the news. We were just talking about  
Tam's wedding last weekend while looking at old pictures. We sure  
did have fun with you guys, we were blessed to feel apart of your  
family. Your house was always a welcome place to be,  
Ed will be greatly missed, that smile and always a laugh or a joke.  
I will be out of town this weekend so sadly we won't make the  
services but would kove to get together with you Dod after the dust  
settles.  
You are all in are thoughts and prayers.  
Hugs to you all
