“ *Frank or Pappa Frank as he was called by our children will be missed so very much by our family. We were so fortunate to have met Frank and Leona approximately 18 years ago in Marco Island. We looked forward every year to see them every October on the beach to hear the many stories that Frank would provide. He was such a great man husband and father. His heart was so large and giving. We will miss him but his memories will be with us forever. On behalf of Teri Sydney and Dakota may I extend our deepest condolences to the entire Geib family. Rest in peace Frank!! You are now with your girl forever! You will be missed but remembered forever!*
