“ *Dear Ginczycki family,
While looking for relatives of Michael Ginczycki, born in Poland in the city of Kolomya (now Ukraine) from the Josef and Anna Ginczycki family, I came across the announcement of the death of George Ginczycki. I too would like to offer you my consolation. I assume that Michael Ginczycki is the brother of my grandmother Pawlina Ginczycki and that he married his wife Elke (Elfriede) in Austria. You emigrated to the United States (Chicago) before World War II. They had four children: Jury, Lubomyr, Orysia and "Tamara". I would like to contact them to complete my family tree. My relatives live in Ukraine and I live in Germany.
Kind regards
