“ I am so sorry for your loss. She sat next to me at the Prarie Singers for the first three years I started singing. She did puzzles just like my husband and I and she actually took one of our puzzles home to her house and finished for us. It’s hanging in the basement of our home right now in Del Webb. I am going to dedicate that picture to her she . I hope she wasn’t sick long and I hope she didn’t suffer. My prayers go out to you and your family. Kathy Brown.
