“ *One thing that always stood out to me about Heather is that whenever she was hearing a story that was very funny, sad or inspiring, she would grab Raymond’s arm and hold it , as to transfer an energy to him to share her emotion. She would say “Oh Raymond” !*

Their connection was a true love that was undeniable and unwavering .

Her sincerity and politeness ran deep and true as well. I never heard a discouraging word from her! I believe that she was the most peaceful person that I have ever known.

I am so grateful to be Ray and Heather’s godson, ring bearer and nephew.

Rest in peace Heather.

Love, Nathan
