She loved spending time with friends and family watching the Iowa Hawkeyes or Chicago Cubs or simply baking cookies, laughing and telling stories.

“ *Jan was my best friend and sister in spirit. We laughed and we cried together and had fun. We were confirmed and graduated from Blue Earth HS together and she was my first college roommate in Rochester. Jan stood beside me in my most joyous days and she helped me through my darkest. Our first road trip to Florida, against Blanche and Mona's advice was one of many adventures we shared. I will always remember her passion for life, her faith, and her love for God and family. My prayers are with all of you and keep her joy and faith alive in you. She is your angel. My youngest granddaughter, Lea shares Jan's birthday. Love, Diane Firkins Johanns in Jax. FL.*

“ *Where to start, so many AGW weekends.....Jan was always the most fun, sweet to be around and kind. Her girls and even Kile joined in on some of our trips together. The core of the group was me, my daughter Laurel, my sister Annette and "Janita". We had many more members of our "Murdoks SKA Club"... You know who you are, I hold you all so dear and especially my Janita.....God speed, I love you!*
