“ *John was a dear friend for over 60 years. He was always a joy to be around. We had so much fun over the years. We traveled together, we visited when we could and we had so many fun times. There was always a fun John story to share with others! He would call just to see how we were and though the miles separated us over the last years we always got together when we could and the laughter always picked up where it had left off. Kris and John are dear friends and our thoughts are with her and the kids today. You will be sorely missed John. Rest in peace. Greg and Sue Steiner*

“ With saddened hearts we remember one of our dearest friends John, whom Jim and I have known 49 years. Sharing these many years you really get to know the character of a person and John was a truly good man. Always hard working...always willing to step up to the challenges of helping others....being a great role model for his children and truly living it out by example and dedication. His love for Kris was endless and the rock for such a solid foundation in their marriage. We gathered with them over the years, laughing so hard we thought we'd get kicked out of the restaurant. Such good times we had! A lot of conversation always came back to sports of course. How John did love his sports. Anything with a ball. Whether football, softball, little league or golf. He was all in. He was a die hard Cub fan.

I could go on and on with so many wonderful things to say but there are not enough words to convey how our hearts are breaking for our dear friend Kris who has lost her soulmate and our buddy as well. Be at peace John and know that you take much love with you.
