“ *As kids we always looked forward to our family reunions at Aunt Joyce's home on the farm. We just couldn't wait for the day when our whole very large family would get together and enjoy everything about the day. Family, friends, good food & drinks, pitching horseshoes, bicycling, music, dancing, visiting & loving every minute of our family reunion. I am so thankful that we had our large family to grow up in as children, to remember now & forever.*

We will miss you Aunt Joyce...Love from Virgene Abbott & family

“ *Dear Herb and Family, I saw that your beloved mother passed away. She was so nice to me when we moved here and I remember attending an event at the farm where she lived. You are blessed to have had her in your life.*
