“ *Dear Terry and Family,
We were so sorry to hear of Judie's passing. It has been a few years
since we have seen her but have many fond memories of our days
at St. Mary's and the get togethers in our married lives where we
shared many experiences. It is our hope that the memories of all the
good times you shared and the passing of time will sustain you and
somehow lessen your grief. We will continue to remember Judie in
our prayers.*
