“ Dearest Baby Karter,
I remember when mommy found out she was pregnant with you. What utter joy and excitement her and daddy had. Your big sister Kassidy learned your name and rubbed mommas belly to talk to you. We all waited patiently for your arrival. But unfortunately for us all, God had another plan for you. I want you to know how loved you are and that being an angel is a big job. Im sure you're going to watch over mommy, daddy and Kassidy. Just don't forget to kiss them good night and whisper that you love them as much as they love you.

Dear Kevin, Nikki and Kassidy,

Our heart aches for you and your loss. Please know you are so loved and we are all here for you. No words will change how you feel right now. Day by day and lean on us all. We will always be there for you. With sincere prayers for healing. Love Bret & Kathryn Donovan-Fritz ❤️🙏
