“ Dear Heidi, Gavin, Erin & families

We were so sad to learn that Lars had passed away peacefully. But what an amazing life he had - firstly meeting your Mum and then bringing up the four children. One of the greatest joys for Grandma & Grandpa (Hubbard) was their only visit to America at 1397 Coyne Station Road with Max and I some 47 years ago when I was pregnant with Alistair. Lars was patient, quietly spoken and always had a twinkle in his eye. He was extremely creative building boats, enjoying the outdoors as well as being handy around the house. Max and I plus Alistair and Charlotte were lucky to visit several times and enjoy the Hasselgren hospitality at Huntley, Green Bay and Delavan.

He will be hugely missed as a much loved parent and grandparent. You can hopefully draw comfort from all the wonderful memories you have, and of course he will now be reunited once more with your darling Mum.

We spend you much love at this difficult time.
