“ *I am very sad to hear of Linda's passing. We worked together at McHenry County Workforce Network, where she was well-liked by many people. I will miss her quick wit. Linda could always be counted on for a funny comment about whatever was going on in the world. I remember her telling me how she didn't like to be around old people because they weren't any fun. I also know how much she loved her family as she talked about them often. I would very much like to be notified of the arrangements when they are made so I can say goodbye to her. Please contact me by email or by phone at 773-208-7860. Many of us here at the Workforce Center want to attend her service.*
