“ *Donna was a beautiful friend - compassionate and fun loving. She cared deeply for her family and friends, animals, and nature. I remember fondly our adventures, frequent hikes, and her supportive nature. George and her family meant everything to Donna and I am sorry for her death. I will think of her when I see a child smile or a flower bloom. All my love, Mari Liszka*

“ *Dear George, Mike, Dave, Judy, Pat, and Mardie,*

I was so sorry to hear about Donna. Thankfully, she's at peace now. I will always remember her smile, laughter, comforting nature and her adventurous spirit! I believe Donna's in Heaven right now with your parents, brothers, and Sis just having a grand 'ol time. May your favorite memories comfort you.

Warmest regards,
