“ *My condolences go out to the family and friends of Martina. I was a coworker of hers for many years at the Field Museum and we shared so many good stories and laughs together....she was always such a delightful person to talk to and work with. I was very saddened to hear of her passing....I feel so lucky that I got to know Martina.....she thought so much of her children and grandchildren and talked about them often.*

My sympathy goes out to you....

“ I didn't know Marti but I know Charley. Charley is a great and wonderful person and alot of that can be attributed to great parenting. My heart goes out to the Hough family and friends. May she never be forgotten.
