“ *Many, many fond memories, from the wonderful Block parties she helped organize and host, to the German pancakes she would make for breakfast during a sleep over, the pool parties at the Barrington Hills house, weekends at "The Farm" in Crystal Lake, rides to St. Pets school on cold rainy days. Always that beautiful smile and laughter that followed. My heart is truly broken, thinking about all the joy & love she brought to everyone she touched. My hope is to see Mr. & Mrs. Lebar & my parents in heaven having a good old time, just like the hundreds of good times I am thinking about now...*
