“ I just found this obit. Mike called on Navistar Int. in Fort Wayne while I was an employee there. He was an Sales agent for Ideal Clamps out of Tennessee. I enjoyed working with him and was able to implement a few Clamps in our working relationship. He stayed in though for awile after NAV moved their entire Engineering/Prod, development groups to Lisle.
Sorry to hear about his passing.

“ As teenagers I had a party at our barn. My Dad purchased an old truck, we had everyone sign the truck, biggest signature...Mike Vickers. He was a great kid, and a great man.
