“ *My deepest sympathies on the loss of Nannette. She was my best friend and will be missed by all who knew her. Nan was a great teacher who gave her best to many children. She loved opera and attended an opera festival at Simpson College in Indianola, Iowa every summer. We did lots of travels together including a trip to her beloved country of Poland last June. She was with our family during the growing up days of my two daughters, Heather Lair and Trudi Hansen. She travelled many trips back and forth to Quincy. We will all miss her.*

*My sympathy's to the loss of my godmother Nan. She watched me grow up from the time I was born. Nan was a great teacher and changed the lives of many children. I am glad that she was able to watch my daughter, Hayley grow up too! She would come visit us here in Quincy and we would go visit her too!
We will all miss her!

Nan became my friend over a decade ago at Simpson College where we were each attending opera week. Her delightful essence of a joyful spirit, her shared joys of life and people, her kindnesses, and her wisdom are some of the many qualities I will miss about Nan. She shared stories and the love of music. I always will remain grateful for the fine friendship of Nan and her best friend Kay who have enriched my life with treasured experiences of delight.

The last time I saw my cousin Nanette was at my brothers memorial a few years ago. She was always sweet and always cared for others. Can't believe she is gone. ❤️
