“ When I look out the window now, I see Bill's BBQ grill, his patio set, his house, his possessions which are no longer his. When it's all been said and done, the only thing we can take with us is our faith. Glad we had the chance to know you as our neighbor, and brother in Christ. We will miss you, but put in a good word for us up there, will you? Rest in eternal peace Bill.

“ Bill, Sean and Chris please accept my deepest sympathy on the loss of your Father. I know he was so special to all of his family. I have good memories of Bill when I've visited Chicago to see Stacey and Bill. I remember at Stacey and Bill's wedding watching him watch the police escort working the crowd on a very big weekend in NOLA! He was amazed! Take care

“ Proud to say that Uncle Bill was my Godfather. Over the past few years I have been blessed to hear and sometimes join in on his and his sister's weekly conversations. Always full of laughs and love and both appeared to be back in their childhood 🥰 Big hugs to all family shedding tears but full of joy for his reunion with Aunt Sue.

“ *Almost every morning, around 6:45 am, I’m sitting on my front porch with coffee in hand.  
Bill would slow down, give a wave and a smile, and proceed to St Mary’s Church.  
I will deeply miss this unique style of friendship!*  
*Respectfully,*

They will both be looking over family with smiles and the warmth of their memories will be a pleasant reminder for family and friends. May they Rest In Peace together.*
